## Sebright Primary School

**PE & Sports Premium Statement**

**2022 - 2023**

The government is providing additional funding to improve the provision of physical education (PE) and sport in primary schools – this is allocated based on the number of children in Year 1 – 6. Last year from the government we received two amounts totalling £19,220. This is made up of £16,000 plus £10 per pupil. This year we expect to receive a similar amount. The PE Premium funding is used to continually improve PE and Sport Provision across the school. Since the introduction of the PE premium in 2014 this has meant a huge success in raising attainment in PE and we will continue to build on our provision again this year.

We already prioritise PE and sport in our budget to enhance children’s participation, involvement and attainment in PE; however, this additional sum contributes a significant amount for our school which so far has enabled us to develop the PE offer in our school. The PE premium contributes to the overall PE budget and in the financial year 2022 – 2023 will be spent in line with government recommendations for how to best utilise the funding.

*“Schools will be pleased to know that another £320 million pounds of investment will be available for physical education and sport in primary schools for the 2022/23 academic year. The past two years disruption caused by Covid brought to the forefront the critical impact and implications on children and young peoples' physical and emotional wellbeing. Their physical, social, emotional and cognitive development is vastly improved by learning in PE, taught by a highly skilled workforce. The subject is part of a broader solution to develop and improve both physical and health literacy as well as making a significant contributions to child development.” Sue Wilkinson MBE, CEO afPE*

Objectives	Intent	Implementation	Impact	Funding Allocated
<b>Objective 1</b>	<i>To ensure all children have access to a range of high quality teaching and learning opportunities in PE</i>	<ul style="list-style-type: none"> <li>● Sports Days for EYFS, KS1, and KS2</li> <li>● Organising, hiring Mile End Stadium/Haggerston 3G pitch, transport (if needed) for Sports Days</li> <li>● Special Year Group PE activities</li> <li>● Visits</li> <li>● Contribution to the Sports Personnel costs at the school</li> </ul>	Providing children with a range of opportunities to take part in and try out and as well as taking part in a bigger sports festival to celebrate annual sporting achievements.	£6,000
<b>Objective 2</b>	<i>To ensure children within the Blossom Federation have opportunity to work with and compete against each other</i>	<ul style="list-style-type: none"> <li>● Bringing children together across the Blossom Federation for trips, competitions and events</li> </ul>	This provides an opportunity for children to work collaboratively, experience healthy competition and represent their schools as well as build new relationships.	£2,000
<b>Objective 3</b>	<i>To provide children with access to specialist sports sessions and other sporting role models</i>	<ul style="list-style-type: none"> <li>● PE sessions that include additional specialist instructors such as Dance, Taekwondo,</li> </ul>	This provides children with exposure to a wider range of sport and develops a broader range of athletic skills; it also helps the schools make links	£6,000

		<p>Boccia, Wheelchair Basketball etc</p> <ul style="list-style-type: none"> <li>Working with Young Hackney coaches and/or volunteer students</li> </ul>	with other local sports people and businesses	
<b>Objective 4</b>	<i>To ensure children have a range of PE and playground equipment to play and learn</i>	<ul style="list-style-type: none"> <li>New play and sports stock to develop playtime, lunchtimes and the links to the PE curriculum; this will benefit children across all age groups</li> </ul>	Children will become increasingly independent in their play and develop their ability in risk assessing when playing; this will positively impact their fitness. It is recommended that all children partake in at least 30 minutes of physical activity a day and equipment helps enable this.	£2,220
<b>Objective 5</b>	<i>To ensure children leave school being able to 'safe self rescue' and swim a distance of at least 25 metres</i>	<ul style="list-style-type: none"> <li>Rotation of Years 4,5,6 swimming across the academic year</li> </ul>	Children are able to be safe around water and enjoy the skill of swimming.	£3,000
<b>Total Expenditure</b>				<b>£19,220</b>

## School Data

<b>Metric</b>	<b>Data</b>
Swim Competently 25m+	N/A due to pandemic pool closures; Years 4-6 will have swimming in the 2022-23 academic year.
Swim Confidently 25m+	
Swim Proficiently 25m+	
Use Range of Strokes Effectively	
Perform Self Rescue in Water Based Situations
