Dear Parent/Carer

## Re: Children's Centre Childcare Consultation Hackney Education

Following the letter that was sent out by Hackney Education last week we can now confirm that the consultation is now open.

Parents, carers, staff and other interested residents and stakeholders can visit [bit.ly/childrens-centre](http://bit.ly/childrens-centre) or <http://consultation.hackney.gov.uk/> to read the children's centres proposals and share their views on the proposals from 31 January to 24 April.

We encourage you to take part in the survey as your views and response will be taken into consideration by Hackney Education and will form the outcome for Sebright Children's Centre and the other settings affected by Hackney's proposals.

Hackney will hold five consultation meetings, which will give parents, carers and interested residents the opportunity to hear about the proposals and ask questions.

Consultation meetings have been arranged for February and March to give those affected by the proposals time to fully read the proposals and consider how they may affect them. Parents and carers can attend any meeting.
