Creative Arts

Intent

Across the Blossom Federation, we want our children to love art, craft and design. Our Art curriculum is designed to engage, inspire and challenge children, whilst equipping them with the knowledge and skills to be able to experiment, invent and create their own works of art. As children progress, they should gain a deeper understanding of how Art and Design reflects and shapes our history, and how it contributes to the culture, creativity and wealth of our world. We want to equip our children with not only the minimum statutory requirements of the Art and Design National Curriculum but to prepare them for the opportunities, responsibilities and experiences of later life. We want our children to use the local area as inspiration, to learn from other cultures and to respect diversity. To that end, we have carefully selected a wide range of unique and diverse artists, craft makers and designers for children to study.

Our aims are to:

- Boost children's confidence
- Promote engagement with parents
- Develop pupil voice
- Develop the broad and balanced curriculum offer available
- Make the school more attractive to parents through achieving arts mark status
- Inspire children to take up art as a hobby and continue their learning at home and after leaving school
- So that children can feel proud of themselves
- Develop powers of observation.
- Develop aesthetic sensibilities to make judgements about Art.
- Encourage the use of imagination and original thought.
- Provide opportunities to learn about the world in which we live.
- Develop the ability to communicate ideas, opinions and feelings about their own work and that of others.
- Encourage children to be able to respond knowledgeably to the work of other craftspeople, knowing that there are different kinds of art made for different purposes.
- Acquire a range of different skills using different media as the children progress through the school.
