Impact

Pupils leave Sebright with a secure understanding of a range of religions, beliefs and worldviews, enabling them to engage respectfully and confidently with people from different backgrounds. Through the RE curriculum and wider school experiences, pupils develop their spiritual, moral, social and cultural (SMSC) understanding and demonstrate respect for diversity, inclusion and the fundamental British values of mutual respect and tolerance.

Pupils build progressively on their knowledge and understanding throughout their time at school, developing the ability to ask thoughtful questions, reflect on their own beliefs and values, and consider the perspectives of others. They can identify similarities and differences between religions and worldviews and apply their learning to life in modern Britain and the wider world.

The curriculum celebrates the diversity of the school community and promotes a positive understanding of different cultures, traditions and lived experiences. As a result, pupils are well prepared for the opportunities, responsibilities and experiences of life in a diverse society.

Impact is evidenced through pupils' work, discussions, reflections and creative outcomes, demonstrating both knowledge acquisition and deeper understanding. Opportunities such as the annual RE calendar competition further showcase pupils' learning and contribute to raising the profile of Religious Education across the school and wider community.
