Newsletter for Parents for Friday 8th October 2021

Dear Parents/Carers,

I am sitting writing this newsletter and cannot believe that another week has passed by and we are fast approaching half term. We had our first 'Sharing Assembly' today. Year 6 shared some of the amazing learning they have taken part in this half term. Once again it was great to see so many parents take time to come and watch their children perform. I am looking forwards to next week's Year 2 'Sharing Assembly' at 1.30pm on Thursday 14th October. **Please remember to wear a face mask at all times to keep each other safe.**

The Year 4 children had a great time at Britannia Leisure Centre on Wednesday morning taking part in a festival of Sports. The Year 6 boys' football team also went to Hackney Marshes on Thursday afternoon to take part in the Blossom Federations' football tournament and had great fun taking part as well as getting lots of exercise. A big thank you to Mr Clark for organising these marvellous trips.

Sharing Assemblies & Christmas Performances

Please see the 'Dates for your Diary' section at the end of this newsletter for the dates and times of all the sharing assemblies this term. We will send out text reminders near the time but please take time to make a note of your child's sharing assembly and Christmas Performances so that you do not miss them.

Standard of the Week

This week's standard of the week was 'Treat Yourself and Others with Respect!' Please continue to reinforce this with your children at home by discussing why we need to walk when we are inside.

Next week's standard will be *'Achieve Your Best At All Times.'* Discuss with your children what they need to do to be able to achieve their best at all times. This links in with all our other Standards so well because if they are following them then they will 'Achieve their Best!'

The Trussell Trust Food Bank

We will be collecting donations for the Trussell Trust Food Bank from Monday 11th October. Please bring in any of these items to the office:

- Cereal
- Soup
- Pasta

- Rice
- Tinned tomatoes/ pasta sauce
- Lentils, beans and pulses
- Tinned meat
- Tinned vegetables
- Tea/coffee
- Tinned fruit
- Biscuits
- UHT milk
- Fruit juice

or any of these non-food items:

- Toiletries – deodorant, toilet paper, shower gel, shaving gel, shampoo, soap, toothbrushes, tooth paste, hand wipes
- Household items – laundry liquid detergent, laundry powder, washing up liquid
- Feminine products – sanitary towels and tampons
- Baby supplies – nappies, baby wipes and baby food
- Face masks and hand sanitiser

Lunches at Sebright

Please check out our menus on the website <https://www.sebright.hackney.sch.uk/parents/lunch-menu> and talk to your child about trying different types of food at school.

Bottle Tops

Our bottle tops are being sorted in our newly decorated Learning Mentors.

Study Start

Please try to get your child/ren into school for 8.45am in the morning so that they can take part in the Study Start in their classrooms. This is an excellent way for children to reinforce their learning and to speak to the teacher about any concerns they may have or help they may need with their learning.

If you cannot make it to school at this time you **must be here by 8.55am** to give your child/ren time to get to class before 9am. Children always feel embarrassed when they arrive late for school and this means that they do not get the best start to the day.

COVID-19

As I am sure you are aware that the new strain of coronavirus (delta) spreads more easily and seems to be affecting younger people more so than the previous strains. **It is very important that if your child has symptoms of coronavirus that they have a PCR test, if they do not have the test then they need to self-isolate for 10 days from the start of the symptoms.** If your child is unwell please phone the school and let us know why your child is absent and what symptoms they have, give as many details as possible.

So if you or anyone living with you has any of these symptoms:

high temperature

continuous cough

loss of smell and/or taste

EVERYONE OVER 18YRS 6 MONTHS

MUST STAY HOME UNLESS THEY HAVE

BEEN DOUBLE VACCINATED

DO NOT GO TO SCHOOL OR WORK

Then get a PCR test so that you or your child can return to work or school as soon as possible. If you do not want your child to take a PCR test then your child must stay at home for 10 days.

Dates for Your Diary

- **Thursday 14th October 1.30pm – Year 2 Sharing Assembly**
