Newsletter for Parents for Friday 17th June

Dear Parents/Carers,

What an exciting two weeks! The Bake Off competition and sale has raised £464 and I would like to say a big well done to everyone who entered and congratulations to the winners.

Year 6's residential trip for three days or fun activities for those not attending took place from Wednesday 8th June to Friday 10th June. See the pictures here: <https://www.sebright.hackney.sch.uk/year6/residential-2022-day-1> I would like to thank the staff that were involved in the residential trip and those at school for all their hard work over these three days.

Our sports' week was a great success and children and parents enjoyed the beautiful weather as well as all the fun. Thank you to Katja Staples (parent) for some of these photos.

The Janice Thomas Trophy

Sebright won the first ever Federation Janice Thomas Trophy on Thursday when they played against the other schools in the Blossom Federation. There was a surprise visitor who was able to congratulate the children in person, see if you can spot her in the photograph below.

Summer Time - heat

Just a reminder that children should not bring sunscreen or sun glasses into school. Please apply sunscreen before they come into school and take any sun glasses home. Unfortunately, we cannot be responsible for any loses or damages to glasses and children can be injured around the eye area if a stray ball hits them in the face, a sunhat will shade their eyes. I am sure you can understand how difficult it will be for teachers to manage thirty separate sunscreens in the class and children are not allow to share these with others due to the risk of allergic reaction.

Children should also be bringing in their water bottles daily and filling them up when empty to ensure they stay hydrated, especially during really hot spells.

School Uniform – shorts

Please can children wear grey, black or navy shorts that reach mid-thigh, e.g. no shorter than the length of their fingertips when they are standing straight with their arms by their sides. Gingham one piece play suits are also available. Children **should not** be wearing tight Lycra shorts to school. I have noticed that some children and parents are cutting down their school trousers into shorts which means that they can use them even if they have grown too tall or have holes in the knees, great idea!

Year 6 Hoodies

REMINDER - Sebright's 'graduation hoodies' for Year 6 are now available to order online via SCOPay until the end of June. The cost of a hoody is £12.

Sebright Standards

The Standards for the next two weeks are highlighted below:

- *Treat yourself and others with respect;*
- *Treat all property with respect;*
- *Behave sensibly and safely around the school;*
- *Achieve your best at all time;*
- *Be kind and help others;*
- *Listen without interrupting;*
- *Respond to an instruction straight away;*
- *Always be in control of your own behaviour.*

Please discuss these with your child/ren focusing on what it would look like if they were following the Standards. Refer to them if you are talking to your child about their behaviour so that we are all using the same language when supporting our children to do the right thing.

Summer Fair

Our Summer Fair is on Friday 15th July at 2.30pm – 4.30pm. Please check your text messages and emails to see how you can support us raise lots of money to support our children. **REMEMBER – School closes at 2.15pm**, except for children who usually attend Extended Day Care.

Yours sincerely,

Ms Terry Corpe
Head of School
