Sebright - unlocking brilliance through creative learning!

Dear Grownups,

WOW!! Then end of Academic Year 2025—2026 has arrived. I can hardly believe that it is actually here! What an amazing year it has been for all of us at Sebright. Our Transition Day was very successful and the children and staff enjoyed meeting each other in their new classrooms. We have mixed the classes and the children seemed to enjoy being with new class mates and being able to see their old class mates at playtimes and lunch time. There were a few hiccups but I would like to thank all of you for working with us and understanding the reasons for doing this.

At the end of the year new displays were put up to display children's learning in Humanities. They all look amazing, as always. I would like to thank our very talented Learning Support Assistants for working on these and putting them up.

Results this year are fantastic and I would like to thank all our staff for contributing to these whether they were in one of the year groups or not.
