

# SEBRIGHT NEWS

Fri 6th May 2016 Issue 11

Dear Parents and Carers,

We hope you have been enjoying the summer so far. As you see can we have been very busy doing a lot of outdoor activities.

Just a quick reminder as it's getting warmer, please remember to give your child a water bottle to bring to school.

Next week is the beginning of SATs week for Y6 children. They will take place Monday to Thursday. Please ensure that they arrive to school by 8am. We will give them breakfast and settle them in ready to take the tests. They have worked incredibly hard throughout the year and we are sure they will all do their very best.

Thank you

Mrs J Livingston - Head of School

## Nursery at London Zoo

Our Visit to London Zoo.

It was amazing to see tigers, camels, butterflies, exotic fish and lots of other animals up close.

We even got to see the Penguin Show!

Thank you to all who came to help, we had an amazing day!

# Year 4's Rocket Science Space Seeds

Year 4 have been helping the British astronaut Tim Peake with an exciting science investigation. Tim Peake took some rocket seeds into space with him for 6 months and then his colleague brought them back down to earth.

Year 4's mission is to observe if these seeds will grow differently to normal rocket seeds that have not left planet earth. To increase the reliability of the experiment, we don't yet know which packet of seeds has ventured up to space and which pack has stayed on earth. 4P have planted a blue packet of seeds and 4S have planted a red packet of seeds. To make sure the test is fair, the Year 4 scientists have planted and labeled 100 rocket seeds from both packets and split these seeds into 4 groups. We will keep you posted with our investigation as the rocket grows in our school greenhouse!

**Week commencing 9th May 2016 - Word of the Week: Empathetic  
Standard of the week - Achieve your best at all times.**

**Week commencing 16th May 2016 - Word of the Week: Family  
Standard of the week - Always be in control of your own behaviour.**

# Year 5 dig into history

We went to the Curtain Theatre Excavation to mark the 400th anniversary of Shakespeare's death. We toured the remains of the old Curtain theatre where people originally watched his plays. The guide told us how the old theatre used to look, it was a cylinder shape, this was to help store all the props. We also saw some old artefacts that were used in Shakespeare's time like hair curlers made from clay and a mug with the logo "Fear God 1603". There is still a lot of work being done to dig up all the artefacts. At the end of the day we were split into teams to compete in an archaeological dig challenge. We had to find all the pieces of our object in the sand and place them together to win - it was really fun. We ended the trip with a quick visit to the park - it was an amazing day! By Eliza, Louisa and Ella.

# Year 1 at The Tower

Year 1 have been learning about the local history in London and Hackney! We visited the iconic building The Tower of London where we found out that it wasn't just a dungeon! It also used to be a palace for kings like Edward I. We met Sir Arthur the Knight, Beef-eaters and saw the Royal Guard! Ask us to find out what we learned and the interesting facts we found out!

## Dates for your diary:

**Mon 9th May - Year 6 SATs**

**Tues 10th May - Year 6 SATs**

**Year 4** - Anglo Saxon workshop in the lower hall.

**10 children from Year 5/6** - 'Sporting Promise' event at Bridge Academy 1:30 - 3:30.

**Wed 11th May - Year 6 SATs**

**Thur 12th May - Year 6 SATs**

**Year 3** - trip to The Natural History Museum.

**Fri 13th May -**

**KS2 Sports Day** - Mile End Stadium 12:30 - 2:30.

Activities start at 1:00. The school will provide a pack lunch for every child plus an additional bottle of water.
